

2017 SUMMER FUN CAMPS

Course Descriptions

POULTRY CAMPS

PF - Poultry Fun Camp - AGES 7+ yrs

At our poultry camp kids will learn all about raising chickens and ducks. During this 1 week hands on camp you will partake in daily chores of feeding, watering, collecting fresh eggs, and cleaning the coops. You will learn about different breeds and their origin, purpose of specific breeds, ie. eggs, meat and exhibition, about their natural behavior, health, housing, and feed. We will also have fun and teach our chickens how to walk an agility course. If you are thinking about having chickens, love chickens, or simply want to learn more about chickens, this camp is a must.
