2017 SUMMER FUN CAMPS

Course Descriptions

POULTRY CAMPS

PF - Poultry Fun Camp - AGES 7+ yrs

At our poultry camp kids will learn all about raising chickens and ducks. During this 1 week hands on camp you will partake in daily chores of feeding, watering, collecting fresh eggs, and cleaning the coops. You will learn about different breeds and their origin, purpose of specific breeds, ie. eggs, meat and exhibition, about their natural behavior, health, housing, and feed. We will also have fun and teach our chickens how to walk an agility course. If you are thinking about having chickens, love chickens, or simply want to learn more about chickens, this camp is a must.

6/12-6/16

9:00am-12:00pm

MTWRF

\$300

2017 SUMMER FUN CAMPS

Course Descriptions

FARM CAMPS

SBF - Storybook Farm - AGES 4-7 yrs

Introduces young children to the excitement of farm animals and plants through picturesque literature and engaging activities. Each day integrates a focus animal/area; including poultry, cows/pigs, goats/sheep, horses and insects/gardening along with correlating farm tools. From there, the children skip on over to the farmyard where the books are transformed into real life, by interacting with the animals and areas they have been introduced to... groom a miniature horse, plant seeds, feed a goat, collect an egg, and more! Hands-on activities are guaranteed to be an enchanting way for young children to learn about farm animals.

*Snack provided, for food allergies provide alternate snack. Please bring water bottle and a change of clothes/shoes.

6/12-6/16	9:00am-12:00pm	MTWRF	\$300
6/26-6/30	9:00am-12:00pm	MTWRF	\$300
7/17-7/21	9:00am-12:00pm	MTWRF	\$300
7/31-8/4	9:00am-12:00pm	MTWRF	\$300

AF - All Around the Farm - AGES 7+ yrs

Designed for youth, this is a farm experience with hands-on activities to put a little farm living in city life. Learn about sheep, goats, poultry, rabbits, horses, donkeys, mules, and cows and the contributions livestock make in our everyday lives. Explore traditional gardening and alternative growing systems, plant a garden, compost, and harvest fresh food. We will plant, dig, feed, build, and problem solve; lots of things that real farmers do all the time. Get your overalls and get ready to get dirty.

6/19-6/23	9:00am-12:00pm	MTWRF	\$300
